| SC Department of Commerce | Community Development Block Grant Program (CDBG) (water, sewer, drainage, public facilities) | The CDBG Program provides grants for a wide variety of projects from revitalizing neighborhoods to improving community infrastructure, providing public facilities and creating or retaining jobs. The program targets low-to-moderate income areas. | Competitive Grants | In FY2015, \$18.5 million is estimated for grants including \$15 million for community development. | Units of local government in areas of the state that do not directly receive their own funding from the US Department of Housing and Urban Development | Community Infrastructure application requests due March 13, 2015 and applications due April 13, 2015. Applications are available upon request by the Chief Admin/Elected official for the local government. Before submitting an application request, review the 2015 CDBG Program Description and Application Guidelines. | Lisa Kalsbeck sc-cdbg@sccommerce.com 803-734-0429 1201 Main Street Suite 1600 Columbia, SC 29201 www.cdbqsc.com |
| SC Department of Commerce | Appalachian Regional Commission Area Development Funds (ARC) | ARC funds may be used for projects that meet one or more of the following goals: 1) Increase job opportunities and per capita income in Appalachia; 2) Strengthen the capacity of the people of Appalachia to compete in the global economy; and 3) Develop and improve Appalachia's infrastructure to make the region economically competitive. Priority is given to economic development, workforce development, education or infrastructure projects. Separate funding may be available for local access road development. | Competitive Grants | FY2015 estimated at \$2.5 million. | Community-based organizations, public and private non-profit organizations, educational institutions, Local Development Districts (LDDs), local and state governments. Projects must benefit the Appalachian counties of Anderson, Cherokee, Greenville, Oconee, Pickens and Spartanburg. | Application proposals must be submitted in November. Please contact the ARC Program Manager for additional information. | Jill Francisco ARC Program Manager 803-734-0568 1201 Main Street Suite 1600 Columbia, SC 29201 www.arc.gov/grants |
| SC Department of Health and Environmental Control (DHEC) for Project Management and SC Rural Infrastructure Authority, Office of Local Government (OLG) for Financial Assistance | State Revolving Funds (SRF): Clean Water SRF (sewer, stormwater) Drinking Water SRF | Both SRF programs provide long-term, low-interest loans. The Clean Water SRF finances all types of sewer facilities including treatment plants, collection systems, stormwater improvements, and line relocation for road widening for environmental and growth purposes up to 30 years at 1.0% to 2.0% for FY15. The Drinking Water SRF finances water supply and distribution facilities needed to achieve or maintain compliance with drinking water regulations and relocation of lines for road widening, for up to 30 years at 1.0% to 2.2% for FY15. DHEC manages projects and technical requirements of SRF. OLG makes the loans and manages financial portion of SRF. | The SRFs are loan programs. There is, however, a very limited amount of funds available as principal forgiveness for projects facing health or environmental threats. | In FY15, more than \$200 million is available for Clean Water SRF projects and about \$40 million is available for Drinking Water SRF projects. | Municipalities, counties and special purpose districts. In the Drinking Water SRF only, assistance to private, non-profits may also be available on a limited basis. | Submit a Clean Water SRF Project Questionnaire (PQ) or a Drinking Water SRF PQ to DHEC to be ranked, added to the Priority List, and begin process. (Forms are available at: www.scdhec.gov/HomeAndEnvironment/BusinessesandCommunities-GoGreen/EnvironmentalGrantsandLoans/StateRevolvingFund/SRFDocumentsForms/). Once a project is added to either SRF Priority List, contact OLG to submit preliminary financial information for assessing affordability of loan amount. Final loan applications are accepted by OLG from October 1 to July 31 of each fiscal year for projects that have met the technical requirements with DHEC. | Shawn Clarke Shawn.Clarke@dhec.sc.gov 803-898-3993 2600 Bull Street Columbia, SC 29201 www.scdhec.gov/SRF Trish Comp tcomp@ria.sc.gov 803-737-3808 1201 Main Street Suite 1600 Columbia, SC 29201 www.ria.sc.gov |
